Your Villa from A to Z

Air Conditioner

The air conditioner is set on "air" at 19°C. To change the temperature, press the up and down arrows on the white remote located on the fireplace mantel. Air conditioners must be turned off when the unit is unoccupied.

Air Exchange/Bathroom Fan

Please turn on the air exchange located in the bathrooms when showering or bathing. A green light will come on when in use and it has a built in timer that will turn it off at 15 minutes.

Barbecue

Utensils and lighters are provided for the barbecue. Please be kind and leave these behind when you depart. Please turn off the propane valve after use.

DO NOT REMOVE BBQ FROM UNIT. Please ensure it is not placed up against the siding of your unit as this can cause damage.

Coffee Maker

A starter pack of coffee is provided. These starter packs include two packs of coffee, filters, sugar, and coffee whitener.

Concierge Service

We would love to assist with any reservations or aid with local recommendations. Please contact Guest Service or pop by the Schoolhouse Check-In Office to discuss further!

Dishwasher

A starter pack of dishwasher tabs is located on the countertop. It is greatly appreciated if your dishes and cutlery are cleaned and returned to their respected cupboards and drawers prior to departure. You may leave your dishwasher running upon departure.

Entry

For your security, villas are opened by a door code lock programmed for your stay. Should you forget your code or the door code is not working, please contact Guest Services.

Your door does not self-lock so be sure to press the lock button on the door when you leave your villa.

Fire Extinguisher

Fires are not permitted under any circumstance at The Gables except at villas, suites or executive homes with outdoor fireplaces/pits. Fire extinguishers are located in the cupboard above the fridge.

Garbage

Recycling is mandatory on PEI. Please refer to the waste management guide in your villa (what is compost, what is waste, what is to be recycled). When your interior garbage is full, please dispose of it in the large bins outside. Extra bags are located under the sink.

Hot Tubs

If your unit includes a private outdoor hot tub it is cleaned after each guest check-out. To ensure proper sanitation, water samples and chemical dilution and water levels are checked daily during your stay.

Rules and Regulations of Hot Tub Usage

- Please shower with soap and water before you enter the hot tub.
- Please do not use soaps, bath gels or oils in the hot tub.
- Enter and exit the hot tub slowly and with care. Take caution when walking around the hot tub as wet floors and patios are slippery. Please note: entering and exiting your hot tub excessively will result in a decrease in water levels.
- Please no jumping or diving.
- Do not bring glass in or near the hot tub. Plastic glasses are provided for hot tub use.
- Do not consume alcohol, narcotics or medications when using, or prior to using the hot tub. Excessive use of alcohol may cause drowsiness and unconsciousness which can result in drowning.
- Do not use hot tub following strenuous exercise.
- Elderly persons and pregnant women should consult doctor prior to use.
- Hot tubs are not recommended for children. Please do not leave children unattended in or near the hot tub.
- Do not enter if temperature is over 104°F. The hot tubs are set at 102°F, but you may adjust using the ▲ and ▼ buttons.
- Limit your soak to 15 minutes and cool off before re-entry.
- Anyone with high or low blood pressure, diabetes, heart disease, an infectious disease, or conditions on certain medications or with any serious illness should consult with a doctor before entering the hot tub.
- The hot tub cover must be in place and secured when not in use to prevent a child from entering unattended.
- Please DO NOT sit or lie down on cover.

If you have any questions, please contact Guest Services between 8AM and 8PM.

Ice

There is an ice cube tray in your freezer that you may use if you wish. Ice can be purchased from Guest Services at the Amenity Centre.

Indoor Fireplace

Indoor fireplaces can be controlled by remote or by opening the panel on the bottom of the fireplace to adjust both heat and flame. Please make sure the fireplace is turned off when you are not in the villa.

Indoor Spa Tubs

Please ensure water levels cover the entire jet prior to turning on the timer. Also take note that tile is slippery when wet. Please use the bath mats provided.

Internet / Phone / Cable

Internet

Your designated network name and password can be found on the fireplace mantle by the remote controls. Please refrain from using game consoles, streaming videos or downloading large files as we use a rural service and it cannot support multiple devices running at the same time.

Phones

The phone in each unit is set up for local calls and 911 only.

Cable

Basic TV channels are provided in all units.

Kitchen

The kitchen is equipped with appliances, dishes, cutlery, pots and pans for your convenience. We take inventory after every stay so if you remove any items from your villa, please put them back before your departure.

Laundry

Our coin laundry facility is located in the Red Building by the Main Entrance. Select villas are equipped with washers and dryers. These are high efficiency and require that you use high efficiency laundry soap.

Patio

All villas feature a deck with patio furniture and seating for six, plus two Adirondack porch chairs and barbecue. **Please do not remove furniture from decks.**

Pets

Select units accommodate dogs. Pets must be supervised at all times unless in a kennel. Please make sure the pets stay off the furniture. Pets are not allowed at the Pool House, coin laundry facility or in the Amenity Centre. Please pick up after your furry friend. Guests who bring a pet into a non-pet friendly villa will be charged for cleaning and re-furnishing required to return villa to non-pet villa standards.

Safety and Security

The Emergency After Hours number is 902-218-1136. Non-emergencies should be reported to Guest Services during office hours (8:30am-8:00pm) 1-855-770-6963. These issues will be taken care of during the day as soon as possible. In the case of a power outage, flashlights are located in the kitchen.

PLEASE CALL 911 FOR THE FIRE DEPARTMENT, AMBULANCE, OR POLICE.

Thermostat

You may adjust the temperature using the ▲ and ▼ buttons. Actual room temperature is on the left of the screen, room temperature you desire is on the right. Radiant in-floor heat can take more than an hour to heat the room, but your fireplace will provide interim heat.

Please turn thermostat off when using the air conditioning.

Toilets

Please flush toilet paper ONLY to maintain integrity of our septic systems.

Water

Tap water at The Gables is sourced from private wells. Water is sampled and tested regularly. If testing indicates any issues, guests will be notified of any precautions required.

Windows and Doors

Windows and patio doors should be locked when you are not in your villa. Please do not leave valuables, passports, etc. in plain view.
